*The panel discussion will include REAL situations that confront lawyers. The attorney panelists and moderators are all from the Sacramento Valley Chapter of ABOTA. The American Board of Trial Advocates is an invitation-only organization of 7,600 of the nation's premier plaintiff and defense trial attorneys. Members are dedicated to the preservation and promotion of the civil jury trial right provided by the 7<sup>th</sup> Amendment to the U.S. Constitution. Through this national Civility Matters program, ABOTA strives to promote the importance of professional and civil behavior in the practice of law.*
